

Hello Kindergarteners,

This summer I would like you to try to read, or read along with your parent, any book of your choosing!

Then on a construction paper write the title of the story, draw the main characters and draw the setting (where the story took place).

On the first day of school, you will share about the book you read and share your drawing!

I hope you have a great summer and I cannot wait to see everyone in September!

~Miss Sura
